

Take the *NEXT* step

NTEA's Generation Next creates opportunities to build peer relationships and develop skills for those new to the industry. Members represent all segments — small and large companies; distributors, manufacturers and suppliers; and those with job titles from technician to president.

Involvement is **FREE** for employees of NTEA member companies

- Grow professionally
- Gain new, industry-wide business contacts
- Connect with Generation Next's LinkedIn and Facebook groups
- Boost industry knowledge
- Sharpen leadership skills
- Stay in the know with Generation Next Edition newsletter
