In one generation, we've multiplied the world's information 90,000 times.

The background is a solid blue color. Scattered across the surface are approximately 15 rectangular sticky notes in various shades of blue, purple, and teal. Some notes are slightly curled or overlapping, creating a layered effect. A dark blue horizontal band with a slight gradient and a subtle shadow is positioned across the middle of the image, serving as a backdrop for the title text.

THE PRIORITY PRINCIPLE

41% of professionals admitted they failed goals simply because they didn't block the time

*Leaders who schedule their top priorities are
74% more likely to achieve them.*

DO LESS, BETTER.

POVERTY OF CHOICE

For every 10 additional investment options, participation rates dropped by 2%

DOES THE ACTIVITY ALIGN?

If yes,

Keep Doing.

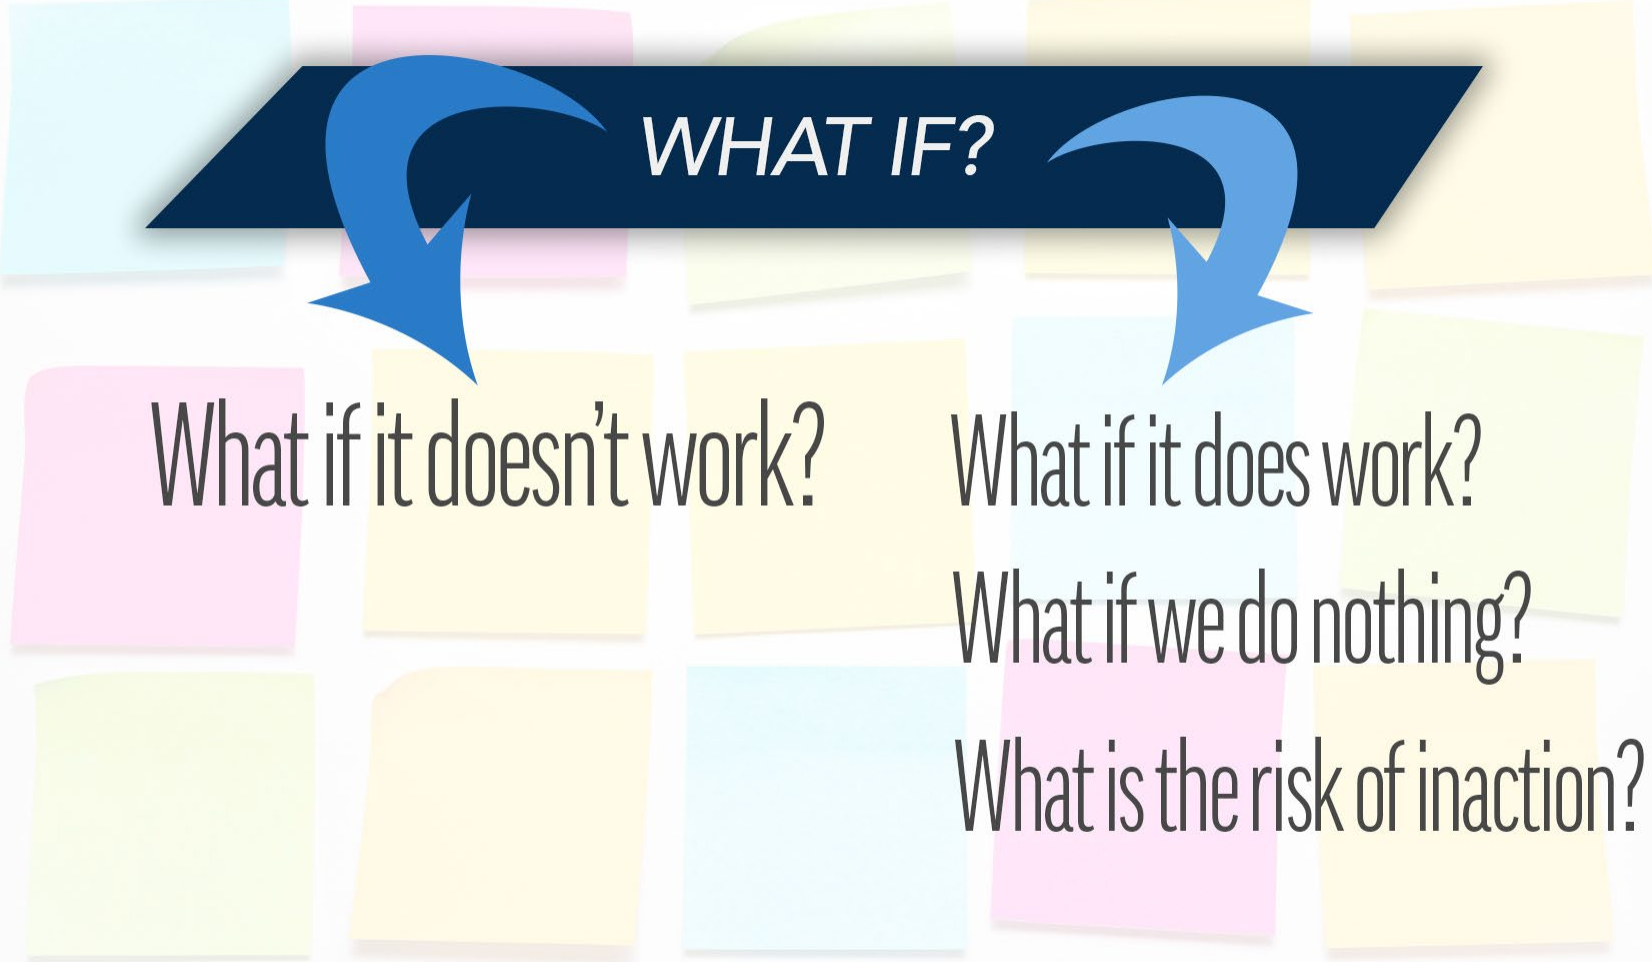

If no,

Reduce.
Delegate.
Eliminate.

GO WILD!

WHAT IF?

What if it doesn't work?

What if it does work?

What if we do nothing?

What is the risk of inaction?
